Why choose Patient Engagement?

- 01** Patient Engagement provides a single touchpoint that integrates study commitments into patients' daily life, simplifying participation and improving retention rates.
- 02** Patient Engagement can be deployed rapidly on provisioned or bring-your-own devices, or both. Implementation experts are there to guide you every step of the way.
- 03** eCOA and Patient Engagement reside on the same platform, so builds are completed at the same time for optimal efficiency and reduced timelines.
- 04** Ensure that all site-patient conversations are auditable and traceable.
